

MUR # 6066

FEC COMPLAINT

Complaint to Federal Elections Commission regarding Micheal Miller for Congress (D) at-large.

Complainant: Jerry Northington, Northington for Congress

This complaint is lodged against Candidate Micheal Miller and Friends of Mike Miller, Mr. Miller's campaign organization.

Micheal Miller is running in the Democratic primary for Delaware's at large congressional seat. Mr. Miller has publicly stated that he has raised in excess of \$40,000 for his campaign. He has purchased various campaign materials such as palm cards, large highway signs, and smaller lawn signs. In addition, Mr. Miller has rented billboards and placards on city busses. Mr. Miller also maintains a website (www.mikemillerforcongress.com) promoting his candidacy.

All of the above listed materials were either purchased or donated; meaning all of them required disclosure to the FEC. The complainant has personally seen each of these materials.

As of September 4th, 2008, neither Mr. Miller, nor his campaign committee, has filed any of the required FEC documents. He has consistently missed filing deadlines. Mr. Miller has run a federal campaign twice before and should be aware of pertinent campaign finance laws.

The address listed for Mr. Miller's campaign is 32107 Jimtown Road, Lewes, DE 19958.
